

FITTING INSTRUCTIONS APRILIA FUTURA CRASH PROTECTORS, CODE CP0161BL

RHS TEMPLATE, SHOWING HOLE LHS, SHOWING CUT-AWAY

Please note that the way the kit is packed does not necessarily represent the way of mounting to the bike

PLEASE NOTE THAT IN CASES WHERE KITS ARE PACKED WITH RUBBER WASHERS HOLDING THE COMPONENTS ONTO THE BOLT – THE RUBBER WASHERS SHOULD BE THROWN AWAY!

Right Hand-side (as you sit on the bike)

- Remove side fairing panel & remove black plastic cover
- Remove the two engine mounting bolts
- Take the R&G block with the larger cut-out and fit to bike using two 10mm x 80mm long **cap head** bolts and tighten (these are the bolts with the round heads)
- You can leave the black plastic scoops off the bike if you wish. Alternatively please follow the next step concerning using the templates for cutting.
- Take the RHS template and tape to the plastic cover to mark approximate position of hole to be cut
- Cut hole in cover a little bit at a time using a Dremel or similar tool until cover will fit over block. (note if you do not want to cut the cover you may leave it off the bike) .
- Refit fairing.
- Take one of the 10mm x 90mm **hex head** bolts and one 10mm washer and slide washer up to head of bolt.
- Push bolt through one of the protectors
- Take the smaller of the aluminium spacers and slide over bolt up to protector
- Screw into block previously fitted.
- Tighten bolt until you feel some compression from inside the protector. Turn a little more so that you feel the compression increase slightly. Then apply a quarter turn. Do not overtighten as damage can occur to the bike. Do not exceed 40nm of torque.
- **Repeat for Left Hand-side** except using block with smaller cut-out, LHS template, larger aluminium spacer and 1 x 80mm cap head bolt and 1 x 50mm cap head bolt

Due to the risk of cross threading of bolts etc; we recommend that our products be fitted by one of our official dealers or a qualified mechanic.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed.
